2. Paragraph 4b makes it mandatory that in each instance a declaration of trust be executed by the nominal lessee in his true name and be forwarded to headquarters.

3. The paragraph also stipulates that "in addition, an agreement should be executed by the nominal lessee and the Chief of Station wherein the responsibilities of the organization and the nominal lessee are set forth with respect to all obligations arising out of the lease.....".

4. The requirements noted are universal and no waivers or variations either general or specific for any particular place or area have been granted.

5. Currently revision of the overall regulations, wherein the reference mandates lie, is under way and your recommendation for deletion or modification of the present Deed of Trust requirement has been brought to the attention of those charged with the contemplated revision.
